

**sunno**

The image shows the word "sunno" in a bold, lowercase, sans-serif font. The letter 'o' is replaced by a stylized graphic consisting of several concentric circles and arcs. The innermost part is a solid black circle, followed by a white ring, then a black ring, and finally a white ring. To the right of these rings are several thick, black, curved lines that resemble sound waves or a stylized 'o' shape, all contained within a larger black arc.
